How do I make a request for Pickup?

- Go to our online catalog (https://iiisy1.einetwork.net/search) and use the drop down box below "Look in the Following Location" to select **South Park Twp.** This will limit your search results to items we own and will tell you if they are available or not.

- Please call ahead to request items before arriving for pickup at 412-833-5585. We cannot add holds to your account for items not at South Park Township Library.

- When you are headed to the library or arrive at the Library for pickup, please call us at 412-833-5585. Library staff will check out items to your account and place them in the vestibule in a bag labeled with your name.

- The pickup is non-contact, but masks are still encouraged. Please only enter our vestibule, one person at a time for social distancing purposes.

- The Library IS CLOSED to the public beyond the vestibule.

I Don't Have a Library Card. How Do I Sign Up For a Library Card?

If you don't have a Library Card, you can register online for one online at https://librarycatalog.einetwork.net/MyResearch/Login?showRegistration=true. Patrons can use that number to request items and use digital resources. Our Library staff can switch it out for a physical Library Card when we reopen.
